

Dear Sir/Madam

I would like to take this opportunity to introduce myself and to advise you that I would be pleased to offer you my website design and web ranking services.

I have been in the marketing industry since 1991 where I qualified as a Public Relations Officer while working for Sun International's Sun City resort.

My primary area of practice is in assisting businesses to stably rank their websites on Google as well as build frameworks for the conversion of site visitors into clients.

In addition to websites I am also skilled at copywriting and graphic design, and am proficient with a number of drawing software's including 3D.

Every website I work on is a project that I am personally invested in. Your success is my focus.

Should you have any questions or need any assistance please do not hesitate to contact me. You are also welcome to visit my website www.limencodesign.co.za for examples of my work.

Yours Sincerely
